

THIS LAND IS YOUR LAND (Woody Guthrie)

This land is your land this land is my land
From California to the New York Island
From the redwood forest to the gulf stream waters
This land was made for you and me

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land....

I've roamed and rambled I've followed my footsteps
To the sparkling sands to her diamond deserts
And all around me a voice was sounding
This land.....

When the sun came shining and I was strolling
And the wheat fields waving and the dust clouds rolling
As the fog was lifting a voice was chanting
This land.....

As I was walking I saw a sign there
On the wall...it said "No Trespassing"
But on the other side it didn't say nothing
That sign was made.....

In the shadow of the steeple I saw my people
By the relief office I see my people
As they stood there hungry I stood there asking
IS this land made for you and me.....

Nobody living can ever stop me
As I go walking my freedom highway
Nobody living can make me turn back
This land was made for you and me
