

WE'RE GONNA SIT AT THE WELCOME TABLE

We're gonna sit at the welcome table
We're gonna sit at the welcome table
One of these days Halleluia

I'm gonna walk the streets of glory...
I'm gonna sing and shout for freedom.
All kinds of people round that table...
No fancy style at the welcome table...
Won't be no fighting 'round that
table..
Open up the doors around that table...
Tear down the walls built 'round that
table...
Justice and peace around that table...
We're gonna join hands round that
table
